RE: TO THE SPONSOR AND DONOR:

Greetings be loved of God:

Soul Vision World Pastors Foundation is a Body that was found and form in October 2008 – The Year of The Lord. It was found and form with the intentions of helping and assisting Pastors and Church Leaders all over the world from all denominations of all ethnic groups and races, to help and assist those Church Leaders that are suffering financially, physically, spiritually and mentally.

Soul Vision World Pastors Foundation is a registered Non – Profitable Company that is governed and managed by a President, Vice President, a well organised Financial Committee and 7 (seven) Board Members that are hand-picked from different ethnic groups, 2 Qualified Treasurers and a Qualified Secretary.

After over ten years of studying and doing research on the lives of Pastors and Church Leaders all over the world, we found out that the results was mind-blowing, some nights were sleepless nights – thinking what God's servants are facing everyday of their lives. What did the foundation come across during personal interviews with Pastors and Church Leaders during ten years of research? The factual truth is that many Pastors and Church Leaders across the globe are facing severe Financial pressures, Homelessness, Dangers, Divorces, Suicides, Bankruptcy, Over-indebtedness, Strokes, Heart Attacks, Prosecutions, Executions, Foreclosures and many other negative attacks everyday of their lives and Church- Politicians ask: "Where is your God?"

We believe as a Foundation God Almighty is with us all the time expecting those who God has blessed financially should also reach out to the Pastors and Church Leaders as Community Workers, just as the Church Leaders who reached out to the Communities everyday of their lives – Not just thinking and saying "God will help you as a Church Leaders because you work for God" For Luke 6:38 says: "Give and it shall be given to you. A good measure, pressed down, shaken together and running over will men give you." So God is using men to give, God gives through men.

During our personal interviews globally, it is recorded that over 80% of Pastors and Church leaders said they serve in Churches that have less than R48 000/\$4 000 in their Annual Budgets and most full time pastors said they get less than R12 000/\$1 000 a year, some said they don't even get an Honour or a Salary.

Over 29% percent of Pastors and Church Leaders said they have outstanding medical bills they don't even want

to think about which sometimes average over plus – minus R36 000/ \$3 000.

Some Pastors and Church Leaders even said they ask other people in their Congregations to make Personal Loans on their behalf, standing as guarantees for them, just to manage their households and monthly obligations. Over 30% of Pastors and Church Leaders around the world said they have nothing in their personal bank accounts, others said they have less than R12 000/\$1 000 saved up in their personal bank accounts in more than 5 years, While 11% of Pastors and Church Leaders live in complete luxury, isolating themselves completely from those who suffer financially everyday of their lives. Over 80% of Pastors and Church Leaders are worried what will happen to them Financially when they retire, they don't have a retirement or funeral policy plan.

Most of the World's Pastors and Church Leaders that we have interviewed (those who are married) said they never told their partners they don't receive any financial help from their churches. Now that the Covid-19 Pandemic has placed many churches in bankruptcy and Foreclosure because of Global Lockdown, many Church Leaders and Pastors are calling and reaching out for help. Help us to help them.

Beloved Businessman/woman, fellow Brothers and Sisters, it is the aim and intention of the Foundation to give hope to God's servants, those who are always interceding for the nations of the world, those are guiding the vulnerable, those who are always putting their families last to reach out for the poor and destitute, those shepherds that would fight for families to function as God wants to.
